

Josiah Reads God's Word

Storytime

Lesson 6

Bible story based on 2 Kings 22:1-11; 23:1-3

1. When Josiah became king, the temple walls were falling down. Josiah wanted to fix the temple, so he found some workers to do the work.

2. When everything was done, Josiah sent a helper to pay the workers. The helper learned about a scroll that had been found at the temple.

3. The scroll was God's Word. Josiah felt sad when he heard God's Word, because he knew that the people had not been obeying God.

4. So King Josiah called all the people together to listen to God's Word from the scroll. Then Josiah and the people promised to love and obey God.
