

Solomon Pleases God

Bible story based on 1 Kings 3:1-15

Storytime

Lesson 8

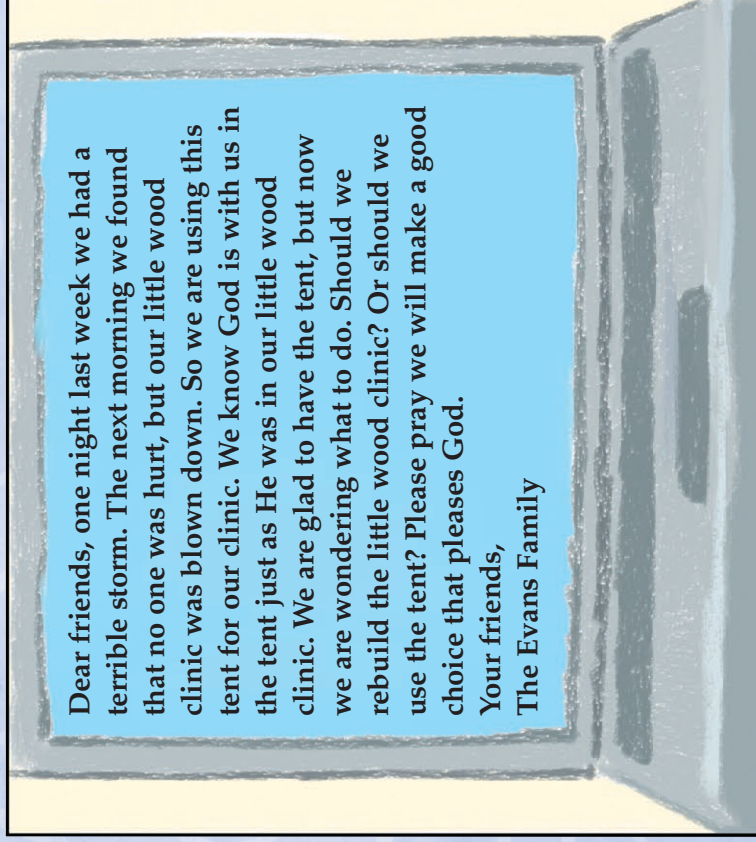

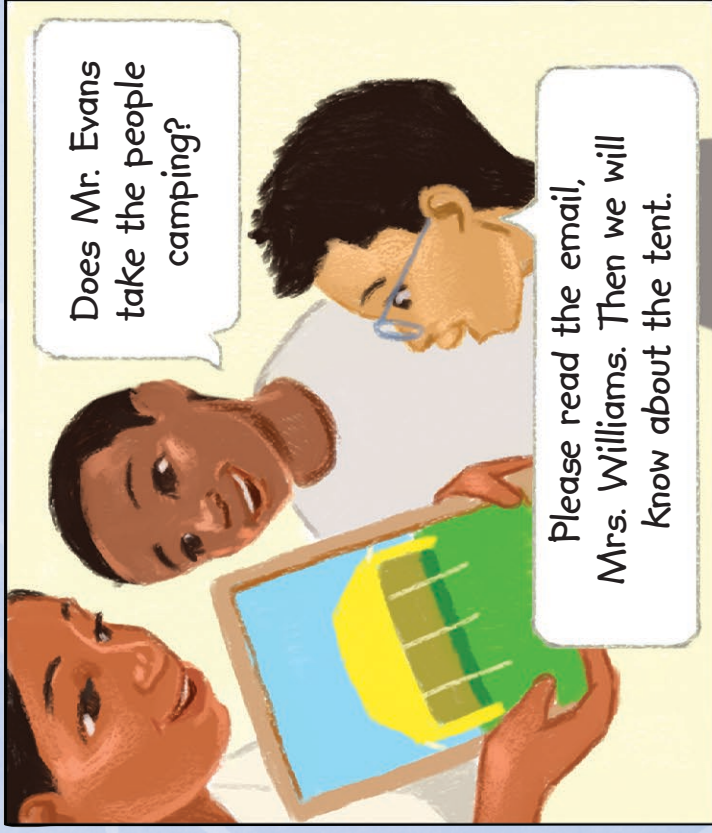

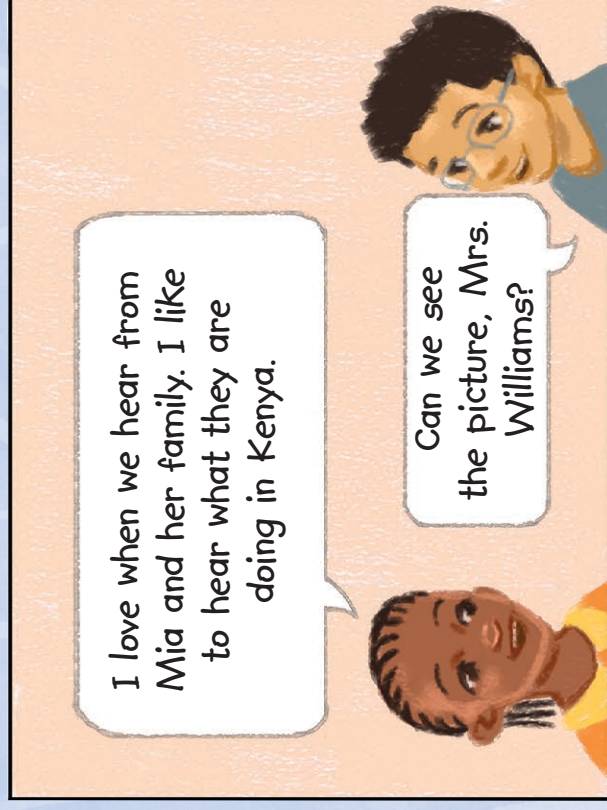

Solomon was the king of Israel after his father, David, died. Solomon showed his love for God by making good choices. God talked to Solomon while he was sleeping one night. God said, "Solomon, ask for anything you want Me to give you."

Some people would have asked for lots of money. But not Solomon. Solomon said, "Lord, it's scary

being the king of so many people. Please help me to make wise choices for Your people."

God was pleased that Solomon made a good choice. So God made Solomon wise. God also made Solomon rich and let him live a long time. As long as Solomon asked for God's help, he pleased God with his choices.

The Right Choice

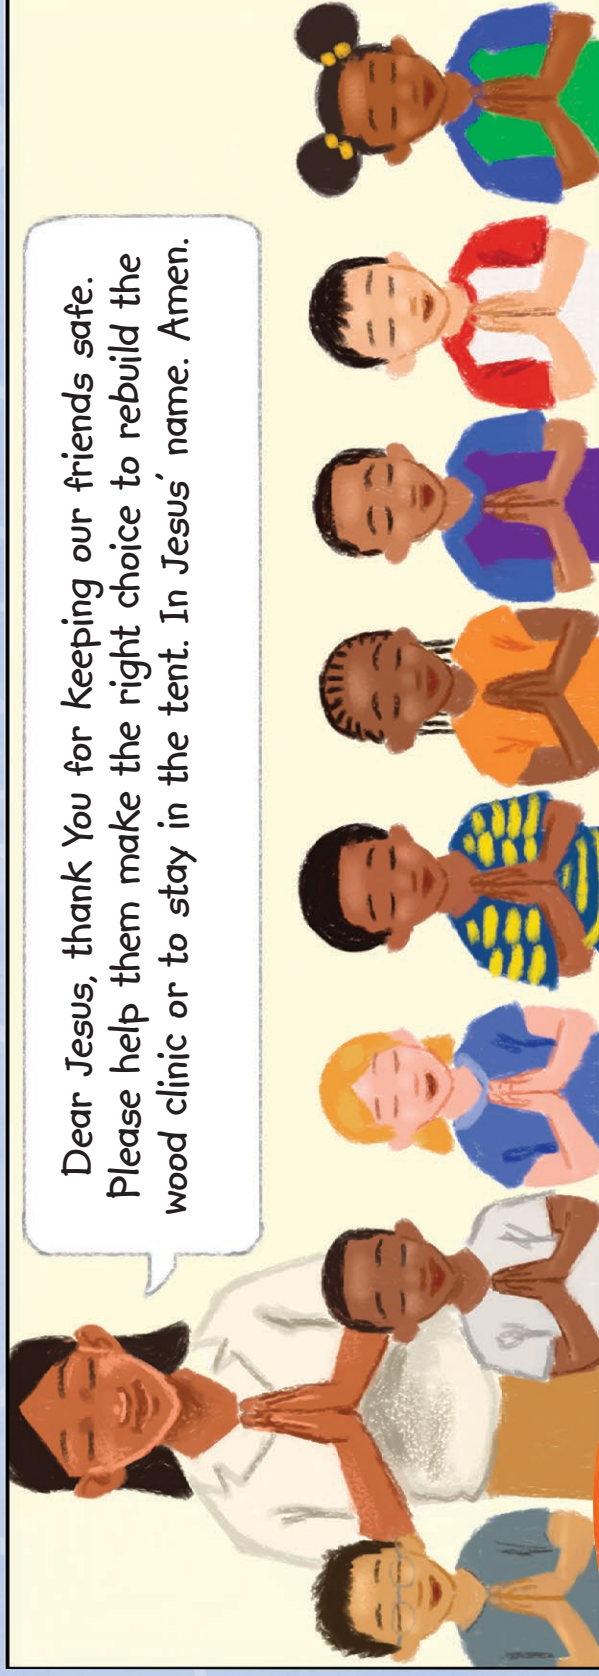

I think they should stay in the tent.

No, I think they should build another wood clinic.

I think we should pray for them to make the right choice. Let's pray for them right now.

Dear Jesus, thank You for keeping our friends safe. Please help them make the right choice to rebuild the wood clinic or to stay in the tent. In Jesus' name. Amen.

What choice did the Evans family need to make? What choices do you make everyday? Is there a bigger choice our family is making? Let's pray together for decisions you need to make and that God would help you make a good choice.
